

Top Shot 2021 Raises \$6808.00 for local charity

The final round of Top Shot 2021 is over and the scores have been tabulated. Winners of the team and individual events shot in all 3 rounds to qualify. Composite scores for individuals are based on the number of clay pigeons hit out of 150. Composite scores for 4 person teams are the total number of targets hit out of 600.
